

# How to Turn \$15 into \$1,000's Per Month in 90 Days or Less!!!

Greetings! You probably are one of us who has been searching for something to make some extra money, especially something that doesn't cost an arm and a leg, but haven't found anything worth your effort.

Well, your search is over! I recently received important information outlining what's been happening at EPXbody. It's very powerful and you need to know about it, so you can make an educated decision.

Whether you're retired or an employee, you need to own a business to avoid wasting \$1000's of dollars per year over paying the IRS. **That's easy! Simply establish an EPX180 business for only \$14.95.** Plus, now or in the future, you can maximize the Pay Plan by only purchasing one or more products each month for \$29.95.

EPXbody has been reorganized and we now have the best money making opportunity available. People are hearing about what improvements EPX has made and are joining and trying one or more of the new products that are now available.

Last July, the President and the CEO of "4X Wellness, Inc." a marketing company, entered into a joint venture with EPX Body. They brought in health and wellness expert, Dick Gregory, and formed the new EPX Body Dick Gregory Signature Product Line.

**The goal of the joint venture is to attract 1,000,000 New Preferred Customers and Distributors to the EPX Body Dick Gregory brand by December 31, 2017.**

How? They are getting the word out about the greatest health and wellness threat to men and women worldwide...Heart/Cardiovascular Disease.

EPX Body Dick Gregory and EPX180 are offering the Products and Services being used by the Members to achieve abundant health, wealth, and economic development.

You can start now for \$14.95 with the EPX180. You'll get all the training and receive access to Back Offices for both EPXbody and EPX180. You will also receive the Capture Page Systems for the EPX180 system and the new EPXbody Dick Gregory Healthy Heart. In addition, you'll receive the Tom Challens new training course.

**EPXbody Cardio 1 Month Supply \$44.95 OR 3 Month Supply \$119.95**

EPXbody Cardio supplies your body with two vital amino acids, L-Arginine and L-Citrulline. The first triggers cellular production of Nitric Oxide. Increased levels of this tiny "miracle molecule" provide many of the health benefits of EPXbody Cardio. Nitric Oxide is a powerful neurotransmitter that relaxes and widens the blood vessels through a process called vasodilatation, thereby increasing blood flow throughout the body. This process produces multiple beneficial health effects, including reduced stress on the heart, lowered blood pressure, improved circulation, and reduced plaque in blood vessels. It has been called the "miracle molecule" ever since the publishing of three UCLA doctors' work that won them the Nobel Prize in 1998.

**EPXbody Daily 1 Month Supply \$44.95 OR 3 Month Supply \$119.95**

The more you know about nutrition, the better EPXbody Daily looks! The less you know, the better Flintstones and mainstream synthetic multiples look. Knowledge is power, so take charge of your health and your family's health and join the millions of people in America who insure their health by feeding their blood these powerful plant nutrients every single day. EPXbody Daily is up to 60 times more potent than any land plant salad and contains hundreds of organic plant compounds known as phyto (plant) chemicals. These organic compounds are extremely necessary for proper cell health, but many are missing from our processed food supply.

**EPXBody Ultra Pure MSM \$49.95**

Purest MSM on the Market MSM stands for Methyl sulphonyl methane. MSM is a nutritional form of sulfur, which is an essential component in the formation of collagen, elastin, cartilage and keratin. It gives flexibility, tone and strength to muscles, bones, joints, internal membranes (especially the skin), hair and nails.
